

MyState Enterprise Agreement 2021

What does MyState want to take from you?

Your workplace. Your pay. Your conditions.

If MyState gets their way...

- your redundancy pay will be cut by between 13 and 70%
- you will be forced to take a two-week block of annual leave each year
- you will be able to take on higher duties for up to 2 weeks without extra pay

You can stop this from happening. How?

The FSU and MyState are currently negotiating your pay and conditions.

If we stand together and say NO to these proposals, we can pressure the bank to take them off the agenda.

If we stand together, we can win a better deal for all MyState employees.

Come to our next FSU Bargaining Update meeting via Zoom:

Wednesday 31st March at 7:30pm
to get informed and make your voice heard.
